Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Advisory Action After the Filing of an Appeal Brief	Application No. 10/748,890	Applicant(s) EDER, JEFF SCOTT
	Examiner THOMAS MANSFIELD	Art Unit 3624

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

The reply filed 19 October 2009 is acknowledged.

1. The reply filed on or after the date of filing of an appeal brief, but prior to a final decision by the Board of Patent Appeals and Interferences, will not be entered because:

- a. The amendment is not limited to canceling claims (where the cancellation does not affect the scope of any other pending claims) or rewriting dependent claims into independent form (no limitation of a dependent claim can be excluded in rewriting that claim). See 37 CFR 41.33(b) and (c).
- b. The affidavit or other evidence is not timely filed before the filing of an appeal brief. See 37 CFR 41.33(d)(2).

2. The reply is not entered because it was not filed within the two month time period set forth in 37 CFR 41.39(b), 41.50(a)(2), or 41.50(b) (whichever is appropriate). Extensions of time under 37 CFR 1.136(a) are not available.

Note: This paragraph is for a reply filed in response to one of the following: (a) an examiner's answer that includes a new ground of rejection (37 CFR 41.39(a)(2)); (b) a supplemental examiner's answer written in response to a remand by the Board of Patent Appeals and Interferences for further consideration of rejection (37 CFR 41.50(a)(2)); or (c) a Board of Patent Appeals and Interferences decision that includes a new ground of rejection (37 CFR 41.50(b)).

3. The reply is entered. An explanation of the status of the claims after entry is below or attached.

4. Other: Claims 1-19 and 23-28 remain currently rejected. Claims 20-22 were previously withdrawn as being non-elected from the previous election/restriction requirement. Acknowledgement is made that no after-final claim amendments were filed after. Applicant's arguments filed after-final action are noted but are not persuasive. Applicant's arguments are the same as previously filed and were addressed in the previous final office action. Additionally, it is noted that an appeal brief was filed on 20 October 2009.

/Bradley B Bayat/
Supervisory Patent Examiner, Art Unit 3624

/Thomas Mansfield/
Examiner, Art Unit 3624
